We hope, by now all the State Associations are well prepared to commemorate the International Day of Peace Celebration on 21st September, 2020 at all levels. The actions might have already taking place and our young people are engaged in various Peace actions digitally or from home.

Suggested activities were already circulated along with Circular No. 108/2020. One can also create more activities as per possibilities to promote Peace actions and greater visibility of the organisation from home/online to create a better world.
