SUB: CELEBRATION OF WORLD THINKING DAY (WTD) ON 22ND FEBRUARY, 2021

Dear Sir/Madam,

The theme for World Thinking Day 2021 is “**Stand Together For Peace**” let us celebrate it with full zeal and enthusiasm.

Peace is not just the absence of war, it means dignity, safety and well-being for all. How peace is defined is different for everyone and it can range from being happy in ourselves and seeing the smiling faces of our loved ones or ending violence and harmful practices around the world.

Peace building is about dealing with the reasons why people fight and supporting people to manage their differences and conflicts in a non-violent way. It is very important to develop positive, personal and group relationships across different races, beliefs, cultures and classes. Understanding why people are different and how we can all live in harmony with each other.
