### **SUB: INTERNATIONAL DAY OF PEACE CELEBRATION 21<sup>ST</sup> SEPTEMBER, 2021**

Dear Sir/Madam,

The International Day of Peace is observed around the World every 21<sup>st</sup> of September. The United Nations declared this day devoted to strengthening the ideals of peace through observing 24 hours on non-violence and ceasefire, both within and among all nations. The World Scout Bureau, Asia-Pacific Region under the umbrella of Messengers of peace has taken this initiative for the past six years in celebrating the International Day of Peace as a day creating awareness, inspiring young people and leaders to make this day a commitment day for year-round peace actions.

This year's theme as announced by the United Nations is "**Recovering better for an equitable and sustainable world**". We invite everyone to join efforts in focusing on recovering better for a more equitable and peaceful world celebrating the day by spreading compassion, kindness and hope in the face of the pandemic, and as we recover.

#### **Goal for International Day of Peace 2021**

Although activities may vary from State to State, our aim for this day is to **involve a large number of young people in peace actions/activities at all levels** (physically or virtually as per the local situations) with the objective of creating **massive awareness** on the roles they can play as global citizens leading to positive changes in their communities. Focus for this year is to unite and share thoughts in healing and changing the planet for the better. Scouting aims to "Create a better World" and this year's theme 'Recovering better for an equitable and sustainable world' will help us to reflect on this tagline.
