To
All Members,
National Adult Resource Management Committee
The Bharat Scouts & Guides

I am enclosing herewith the minutes of the 1st Meeting of National Adult Resource Management Committee held on 25th June 2014 at 11 A.M. , at our National Headquarters, New Delhi.

It was really a thrilling experience for me and I do hope that you might have also received your share of the inward pleasure that we all enjoyed during the meeting in deliberations and during our short stay at our Common Home our National Headquarters despite your busy schedule and other commitments as **busy bees**.

Sir, your valuable presence in the meeting for the cause of this ongoing world's biggest youth movement, (presently in 207 Countries out of a total of 209) is of paramount importance- as we shall be leaving behind a foot track for others, while performing our duty as elders in the Scout/Guiding movement.

As we all know, the present is the product of the past but it is also the seed for the Future and in Scouting and Guiding we are showing seeds for tomorrow.

With this belief and firm faith in mind, I on behalf of the National Adult Resource Management Committee, am personally approaching and requesting you to keep on pondering over the matter of National Adult Resource Management and also find out ways & means to outsource suitable Adult resources for the cause of this movement- for a better world.

Members those who could not attend the meeting due to personal difficulties are requested to share their suggestion on the minutes. If they would have been in the meeting, valuable and creative suggestions would have been added in the meeting. Hope to meet all the members in next meeting.

SAMASTHA LOKA SUKHINO BHAWANTU (May all the beings of all the WORLDS be Happy & contended).

With warm regards and scouts salutations.

Yours in Scouting,

M. Sushil Kumar
