SUB: MASTER TRAINERS TRAINING FOR BSG – DIGITAL SMART GENERATION.

Dear Sir/Madam,

Greetings from the Bharat Scouts and Guides, National Headquarters!

“We are all now connected by the Internet, like neurons in a giant brain”.

A world without the internet has become unimaginable. We use it to connect with friends, learn new things and enjoy our free time. During the COVID-19 pandemic the use of internet has increased rapidly, for people to remain connected and to continue learning and working during lockdowns. Internet has also exposed our young members to violent content to rampant misinformation and cyber bullying.

Surf Smart 2.0 Generation Digital is a non-formal education curriculum to support young people to connect online safely and positively. It is a unique resource which will ensure a generation of young members with the knowledge and skills to protect themselves and others online. This will also help participants to explore how to use the internet as a Digital Generation; not only to communicate, learn and have fun but also to raise their voices as responsible citizens of the world.
