SUB: WEBINAR ON SUSTAINABLE DEVELOPMENT GOALS (SDGS)

Dear Sir/Madam,

Greetings from the Bharat Scouts and Guides, National Headquarters!

The Sustainable Development Goals (SDGs) aims to enable a decent life for all worldwide and at the same time preserve the natural basis of life for the longer term.

Knowing about the SDGs are the basis for achieving a better and sustainable future. Not all of the Sustainable Development Goals are equally relevant to you as an individual or business. However, knowledge about them is important as is minimizing the negative impacts.

Some will already have a good understanding of what the Sustainable Development Goals mean, and think about how they can implement them in their personal and business lives. Globally, however, less than one third of the population have ever heard of these goals. Even fewer will have the necessary basic knowledge to act on them.

The Bharat Scouts and Guides National Headquarters aims to provide an overview on SDGs through organizing a series of webinars on 2nd and 04th Wednesday of every month starting from 09th February, 2022 for the Scouts/Guides/Rover/Ranger and Unit Leaders.
