SUB: ORGANIZING EVENTS & YOUTH PROGRAMME UNDER THE THEME OF G20 SUMMIT 2023-REG

Dear Sir/Madam,

As all of you are aware, our country is the host of G20 Summit 2023 and will be held in India this year in New Delhi. The Group of Twenty, or G20, is the premier forum for international cooperation on the most important aspects of the international economic and financial agenda. It brings together the world's major advanced and emerging economies, climate change mitigation and sustainable development.

The theme of India's G20 Presidency is – “Vasudhaiva Kutumbakam” or “One Earth, One Family, One Future”

Further, the Ministry of Youth Affairs, Govt. of India has launched The Youth 20 (Y20) as a part under G20 Summit. Y20 is aimed at enabling young people to express their visions and ideas to the Heads of State and Government of the G20. It is an inclusive discussion platform, from which a series of agreed recommendations related to the G20 agenda are compiled into a joint communiqué. Youth 20 (Y20) is an official consultation forum for youth from all G20 member countries to be able to dialogue with each other. Y20 encourages youth as future leaders to raise awareness of global issues, exchange ideas, argue, negotiate, and reach consensus.

Themes of Y20 India are:

- | | |
|---|---|
| a) Future of Work: Industry 4.0, Innovation & 21st Century skills | b) Climate Change and Disaster Risk Reduction: Making Sustainability a way of life |
| c) Peace building and Reconciliation: Ushering in an era of No War | d) Shared Future: Youth in Democracy and Governance and Health, Wellbeing |

Consequently, W20 (Women 20) is an official engagement group under the G20. Its primary objective is to ensure that gender considerations are mainstreamed into G20 discussions and translated into the G20 Leaders' Declaration as policies and commitments that foster gender equality and women's economic empowerment.

W20 India took over the presidency from W20 Indonesia on 12 December 2022. W20, under India's presidency, is focused on actualizing of Hon'ble Prime Minister Shri Narendra Modi's vision of "Women-Led Development" with a vision to create a world

of equality and equity where every woman lives with dignity and gets the opportunity to thrive, transcend and transform their lives and those of others. W20, 2023 is focusing on removing barriers to women-led development and ensure an enabling environment and ecosystem for women to realize their full potential, transforming their lives as well as of others.

There are five priority areas of W20 under India's Presidency which include, Women in Entrepreneurship, Women Leadership at Grassroots, Bridging the Gender Digital Divide, Education & Skill Development and Women & Girls as change makers Climate Resilience Action.

In view of the above, all the State Associations of the Bharat Scouts and Guides are requested that all the proposed schedule of Youth Programmes 2023-24 at all levels be organised under the theme of G20, Y20 and W20 accordingly so that our organization will also be a part as a stakeholder in the Govt. of India initiatives during India's G20 Presidency.

We request all the State Associations to submit a detailed report of the activities and programmes with action photographs organized under the theme of G20 Summit to the National Headquarters at info@bsgindia.org soon after the event so that the same may be consolidated and further submitted to various Ministries of the Government of India and create visibility of the organization at large.

Suggested programmes and tool kits will be provided shortly. If state association would like to suggest any innovative ideas on programmes and activities under the theme G20 are welcome. Suggestions should reach NHQ latest by 08/03/2023

Thanking you,

Yours in Scouting,

(Dr. Raj Kumar Kaushik)
