Date : 27th Feb, 2023

To,
All the State Secretaries
The Bharat Scouts and Guides
State Associations of
Indian Union

Sub : Conduct of Training Course.

Sir/Madam,

Greetings from NTC, Pachmarhi.

It has come to our notice that some state associations are providing accommodation for the participants of Basic/Advanced courses in hotels. This is totally against the norms and practice of adult leader training. State Training Commissioners should not recognise this type of training courses.

Trainers are advised not to conduct such training courses where the participants are accommodated in a hotel, In that case the course will not be accepted in Annual Training Report and participants will not be allowed in their further advancements. Appropriate action may be taken against trainers also.

Adult leader courses to be conducted preferably in established training centers only, National and State Associations are having number training centres with adequate facilities. NTC / NYC are also available for the training courses. You may ask for the availability of campsites.

All the State Training Commissioners are requested to maintain the dignity of Training Courses and conduct the course strictly following the Scheme of Training.

Yours in Training

(S. S. Ray)
