President's Message संदेश

The months of June to September are eagerly awaited in the South East Asian countries as we are highly dependent on monsoon for our agricultural activities. A well thought decision to observe World Environment Day followed by Van Mahotsava or forestry festival from June till the monsoon ends are to make each one of us active in undertaking plantation activities.

At world level, it is observed that the Scouts and Guides stand for Sustainable Development Goals. The environment related issues and health are concern for us as our future depends on a better environment.

Each one of us should make an earnest effort to plant and protect at least one tree that will help in improving our environment. The monsoon also brings with it the woes of flood, water borne diseases etc. We should prepare ourselves to meet eventualities and help our community during such calamities.

With Scout/Guide Greetings.

दक्षिण पूर्व एशियाई देशों में जून से सितम्बर के महीनों का उत्सुकतापूर्वक इंतजार किया जाता है क्योंकि हम अपनी कृषि गतिविधियों के लिए मानसून पर अत्यधिक निर्भर हैं। जून से मानसून के अन्त तक विश्व पर्यावरण दिवस के बाद वन महोत्सव या वानिकी उत्सव मनाने का एक सुविचारित निर्णय हम में से प्रत्येक को वृक्षारोपण गतिविधियों में सक्रिय बनाना है।

विश्व स्तर पर यह देखा गया है कि स्काउट सतत विकास लक्ष्यों के लिए कार्यरत है। पर्यावरण से जुड़े मुद्दे एवं स्वास्थ्य हमारे लिए चिंता के विषय है क्योंकि हमारा भविष्य बेहतर पर्यावरण पर निर्भर करता है।

हम में से प्रत्येक को कम से कम एक पेड़ लगाने एवं उसकी देखभाल करने हेतु गंभीर प्रयास करना चाहिए जो कि हमारे पर्यावरण को बेहतर बनाने में मदद करेगा। मानसून अपने साथ बाढ़, जलजनित रोगों आदि का संकट भी लेकर आता है। हमें ऐसी आपदाओं से निपटने के लिए स्वयं को तैयार करना चाहिए एवं ऐसी आपदाओं के दौरान अपने समुदाय की मदद करनी चाहिए।

Personally Speaking अपनी बात

I am happy to learn that International Yoga Day 2022 was observed on June 21 by thousands of scouts and guides, rovers, and rangers all over the country. Regional level Yoga Fest 2022 were organised in all the scout/guide regions of our country for five days by our youth. Public demonstration of Yoga was given on 21st June. Yoga got world recognition at the United Nations General Assembly by unanimous vote in 2015.

After Covid-19 pandemic, the Bharat Scouts and Guide started adventure programmes and training courses at different locations like Pachmarhi (Madhya Pradesh), Kurseong, Darjeeling (West Bengal), Bhopalpani (Uttarakhand) and Gadpuri etc. Thousands of participants representing various states and institutions are being benefitted by different types of training given by these adventure institutes. State Associations should give wide publicity for these adventure institutes to increase participation.

Skill Development Centre of the Bharat Scouts and Guides at Sisai, Haryana has been organising several skill-oriented programmes and the beneficiaries are successfully getting livelihood after completion of their skill training. Large number of young girls are learning different skills such as fashion designing, tailoring etc. at this centre. Similar Skill Development Centres can be developed by other state associations in the country.

मुझे यह जानकर अत्यन्त प्रसन्नता हुई कि 21 जून को सम्पूर्ण देश में हजारों स्काउट्स, गाइड्स, रोवर्स एवं रेंजर्स द्वारा अन्तर्राष्ट्रीय योग दिवस 2022 मनाया गया। हमारे युवाओं द्वारा देश के सभी स्काउट्स/गाइड्स क्षेत्रों में पाँच दिवसीय क्षेत्रीय योग उत्सव 2022 का आयोजन किया गया। 21 जून को योग का सार्वजनिक प्रदर्शन किया गया। योग को 2015 में सर्वसम्मति से संयुक्त राष्ट्र महासभा में वैश्विक मान्यता मिली।

कोविड-19 महामारी के पश्चात, भारत स्काउट्स एवं गाइड्स ने पचमढी (मध्य प्रदेश), कर्सियांग (पश्चिम बंगाल), भोपालपानी (उत्तराखण्ड), एवं गदपुरी आदि विभिन्न स्थानों पर साहसिक कार्यक्रम एवं प्रशिक्षण शिविर प्रारम्भ किये। विभिन्न राज्यों एवं संस्थानों का प्रतिनिधित्व करने वाले हजारों प्रतिभागी इन साहसिक संस्थानों द्वारा दिए जाने वाले विभिन्न प्रकार के प्रशिक्षण से लाभान्वित हो रहे हैं। राज्य संघों को इन साहसिक संस्थानों की प्रतिभागिता को बढ़ाने के लिए व्यापक प्रचार-प्रसार करना चाहिए।

सिसई, हरियाणा में भारत स्काउट्स एवं गाइड्स का कौशल विकास केन्द्र कई कौशलोन्मुख कार्यक्रमों का आयोजन कर रहा है एवं लाभार्थियों को उनके कौशल प्रशिक्षण के पूर्ण होने के पश्चात सफलतापूर्वक आजीविका मिल रही है। इस केन्द्र में बड़ी संख्या में युवा लड़कियाँ फैशन डिजाइनिंग, सिलाई आदि जैसे विभिन्न कौशल सीख रही हैं। इसी तरह के कौशल विकास केन्द्र देश के अन्य राज्य संघों द्वारा विकसित किए जा सकते हैं।

World population is growing at alarming rate, and this is cause of concern. Overgrowing population make us ponder over various issues such as importance of family planning, gender equality, poverty, maternal health, human rights etc. World Population Day is observed on 11th July, 2022 to create awareness among the masses on such issues. Our youth should organise awareness rallies on conservation to meet the demand of natural resources due to rising population. Scouts and Guides should organise awareness programmes regarding growing population.

Conservation of natural resources is the need of hour, as most of our natural resources are exhausting due to unlimited consumption by the overgrowing population. World Nature Conservation Day is going to be observed on 28th July, 2022. Our scout and guide members can undertake activities like use of reusable straws and bottles, starting a sustainable diet, no to single-use plastic at home, use of energy-efficient appliances, making bird-feeders, tree plantation, awareness of using solar energy etc. They can bring more innovative methods to create awareness.

Stay Safe – Wear Mask – Maintain Social distance.

With Scout/Guide Greetings.

विश्व की जनसंख्या खतरनाक दर से बढ़ रही है एवं यह चिंता का विषय है। बढ़ती हुई जनसंख्या हमें परिवार नियोजन के महत्व, लैंगिक समानता, गरीबी, मातृ स्वास्थ्य, मानवाधिकार आदि जैसे विभिन्न मुद्दों पर विचार करने हेतु मजबूर करती है। ऐसे मुद्दों पर जनता में जागरूकता पैदा करने के लिए 11 जुलाई, 2022 को विश्व जनसंख्या दिवस मनाया जाता है। हमारे युवाओं को बढ़ती जनसंख्या के कारण प्राकृतिक संसाधनों की माँग को पूरा करने के लिए संरक्षण पर जागरूकता रैलियों का आयोजन करना चाहिए। स्काउट्स एवं गाइड्स को बढ़ती जनसंख्या के सम्बन्ध में जागरूकता कार्यक्रम आयोजित करना चाहिए।

प्राकृतिक संसाधनों का संरक्षण समय की माँग है, क्योंकि बढ़ती जनसंख्या के असीमित उपभोग के कारण हमारे अधिकांश प्राकृतिक संसाधन समाप्त हो रहे हैं। विश्व प्रकृति संरक्षण दिवस 28 जुलाई, 2022 को मनाया जाने वाला है। हमारे स्काउट एवं गाइड सदस्य पुनः प्रयोज्य पुआल एवं बोटलों का उपयोग, एक सत्त आहार शुरू करना, घर पर प्लास्टिक का एकल उपयोग नहीं करना, ऊर्जा कुशल उपकरणों का उपयोग, बर्ड-फीडर बनाना, वृक्षारोपण, सौर ऊर्जा का उपयोग आदि करने के सम्बन्ध में जागरूकता जैसी गतिविधियाँ कर सकते हैं। वे जागरूकता पैदा करने हेतु और अधिक नवीन तरीके अपना सकते हैं।

सुरक्षित रहें—मास्क पहनें— सामाजिक दूरी का पालन करें।

स्काउट / गाइड शुभकामनाओं सहित।

Editorial सम्पादकीय

World Organisation of Scout Movement revisits the fundamentals and their application in the present scenario of ever-changing World.

The development of Information Technology and the effects (bad or good) on our present generation was discussed at various forums. Based on the findings, the following points are important as the method of Scouting (this can also be applied in guiding alike):

1. The Law and Promise remains the most important method of Scouting as it develops values for life.
2. The symbolic frame work like three finger salute, left hand shake, a well designed uniform with scarf continues to attract youth.
3. Learning by doing is the best way in acquiring skills and developing attitudinal change.
4. Team System or Patrol System as it is widely known provides leadership opportunity to all young people.
5. A well designed personal progression plan provided in the APRO or similar books keep the spirit of achievement in every stage of a young person's life.
6. Adult support is most essential method so that each young person get personalized guidance in life skill education suitable for him and this helps in removal monotony of mass teaching.
7. Community involvement in scouting is a method to re-pay our dues to the community from where the youth comes to the movement.
8. Last but not the least, the Nature provides each one of us an opportunity to appreciate the creation of God and also gratitude to God for giving us human life in this world of opportunities.

Without these Scouting is incomplete.

विश्व स्काउट संगठन बदलते विश्व के वर्तमान परिदृश्य में अपने मूलभूत सिद्धान्तों एवं उनके अनुप्रयोगों की समीक्षा करता है।

सूचना प्रौद्योगिकी के विकास एवं हमारी वर्तमान पीढ़ी पर पड़ने वाले उसके प्रभावों (बुरे या अच्छे) पर विभिन्न मंचों पर चर्चा की गई। निष्कर्षों के आधार पर स्काउटिंग की विधि के रूप में निम्नलिखित बिन्दु महत्वपूर्ण है (इसे समान रूप से गाइडिंग में भी लागू किया जा सकता है):

1. नियम एवं प्रतिज्ञा स्काउटिंग की सबसे महत्वपूर्ण विधि है क्योंकि यह जीवन मूल्यों को विकसित करती है।
2. तीन उँगलियों से सलामी, बायां हाथ मिलाना, स्कार्फ सहित अच्छी तरह से डिजाइन की गई यूनिफार्म जैसे प्रतीकात्मक क्रैन वर्क युवाओं को निरन्तर आकर्षित करते हैं।
3. करके सीखना, कौशल प्राप्त करने एवं मनोवृत्ति परिवर्तन विकसित करने का सबसे अच्छा तरीका है।
4. टीम सिस्टम या पेट्रोल सिस्टम जिसे व्यापक रूप से जाना जाता है, सभी युवा लोगों को नेतृत्व के अवसर प्रदान करता है।
5. एपीआरओ या इसी तरह की पुस्तक में प्रदान की गई एक अच्छी तरह से डिजाइन की गई व्यक्तिगत प्रगति योजना एक युवा व्यक्ति के जीवन के हर चरण में उपलब्धि की भावना को बनाए रखती है।
6. वयस्क समर्थन सबसे आवश्यक विधि है ताकि प्रत्येक युवा को उसके लिए उपयुक्त जीवन कौशल शिक्षा में व्यक्तिगत मार्गदर्शन मिल सके और इससे सामूहिक शिक्षण की एकरसता को दूर करने में मदद मिलती है।
7. स्काउटिंग में समुदाय की भागीदारी उस समुदाय को अपना बकाया चुकाने की एक विधि है जहाँ से युवा आन्दोलन में आते हैं।
8. अंत में, कम से कम, प्रकृति हम में से प्रत्येक को ईश्वर की रचना की सराहना करने एवं अवसरों की इस दुनियाँ में मानव जीवन प्रदान करने के लिए ईश्वर का आभार व्यक्त करने का अवसर प्रदान करती है।

इनके बिना स्काउटिंग अधूरी है।

TRAINER'S CORNER

SCOUTING'S DEFINING ELEMENTS: E) "SCOUTING IS NON-POLITICAL"

Scouting is an educational movement. It is non-political in nature. We have to recall that Scouting is a movement, an organization and a social force.

Let us discuss this topic in two directions – one as a movement and the other as individual members of the movement.

As a social force, Scout Movement is not identified with any political party. Of course, political parties or political groups are the reflection of politics in a democratic society. But the Scouts and Guides Movement will never identify with them. Scout Movement must remain an independent and non-political and autonomous movement. Why is it so?

Let us see what the Founder- Baden Powell wrote: "Danger lies in the people becoming accustomed to having their own minds made up for them without any exercise of their own judgement or conscience in the process" and therefore he concluded that `individual power of judgement` is essential.

For this reason, Scouting is an educational movement aimed at helping young people to develop, from within themselves, their own abilities and their autonomy. Our youth should get opportunities to exercise their own judgements without being influenced by adult leaders. If politics is encouraged, the movement that is based on the Principles, Method and Values gets totally disturbed. Scout movement is person-centered or youth-centered with an educational approach. So the movement needs neutrality in its policy and independence in dealing with the youth.

Of course, Scouting is not completely divorced from socio-political realities because scout movement is a social reality and is related to society and is part of society. The aim of Scouting is to help young people to develop as responsible individuals and as active members of society. This type of civic education, particularly, while dealing with the youth, needs neutrality and freedom for independent thinking and decision.

Though the Scout Movement is not political in nature, it stands on certain number of issues such as Rights of the Child and in the present context, the Sustainable Development Goals provided such

issues are clearly related to the Scouting`s educational mission which is based upon its own Aims, Policy, Principles and Values.

As individuals in the movement, the stance is different. Scout Movement contributes to the empowerment of the young people as autonomous individuals and as global citizens. When we say that they are global citizens, it implies that they have a voluntary commitment to treat all the fellow human beings equal irrespective of any type of differences. Young people will acquire the ability to live in harmony with the fellow-beings and with Nature. Consequently, it is a commitment to the Universal Declaration of Human Rights. As said by the Founder, we build in young people, `the individual power of judgment`.

In an environment of freedom, youth develop the capacity to share values of the Movement and to develop the ability to think critically, to learn by inquiry, to verify the facts and to stand against injustice to prepare themselves as responsible global citizens.

The Bharat Scouts and Guides is very clear in this aspect of `non-political` nature. In accordance with the rule 70.22 of APRO Part I under the code of conduct for volunteers, a volunteer has to declare thus: "..... I/we do not support a by specific political party or candidate for political force." But as public servants, we can give our services during the public elections as persons of neutral nature, without supporting any political party or political group.

As per rule 70.23, "...I/we must preclude any activity that could be interpreted as mutual dependence/favour with any political body or person and we do not offer or give any organization Funds or property or other resources for use to any political party, candidate or campaign".

For the above reasons, either the movement or the individuals of the movement will follow `non-political` nature. This stand will keep our youth free from being influenced while taking decisions or while designing activities.

What Unit Leaders can do while dealing with the non-political nature of the Scout/Guide movement?

1. Do not criticize any political party in the presence of Scouts/Guides.
2. Do not keep any photos of political leaders or symbols of Political parties in the scout den.
3. Organize service camps during public or general elections for Scouts /Rovers /Guides/Rangers.
4. Do not involve political leaders in your unit activities.
5. You may take the co-operation of Village heads for undertaking Community service or while organizing C. D. Projects.

Note: Leaders in politics become members, office-bearers etc of our association, but the platform of the BSG or its symbol or insignia should not be used for political purpose.
