Sub: WWF Wild Wisdom Global Challenge 2023 - reg.

Dear Sir/Madam,

Greetings from the North Eastern Regional Headquarters of BSG, India.

It gives us immense pleasure to inform you that the Wild Wisdom Global Challenge is an attempt to provide a unique opportunity for Young people (Classes VI to IX) to delve deeper into amazing wildlife, gain knowledge and take pride in its natural diversity which was launched in 2008 in India. The Wild Wisdom Quiz has grown into the biggest wildlife challenge ever, engaging over 7 lakhs Students from over 90 Countries around the world. This initiative aims to instill a sense of concern for the natural world and inspire our students to demonstrate their concern for conservation.

This year, over half a million children from around the world will learn and take action for our planet by joining the Wild Wisdom Challenges 2023. Theme of this year is “Birds of the world” – Birds are essential to our world, as pollinators, seed dispersers, predators, scavengers and ecosystem engineers, they link ecosystems and help maintain the health of the planet! WWF is calling out young people (Classes 06<sup>th</sup> – 09<sup>th</sup>) to come together and register for World Wisdom Quiz by 15<sup>th</sup> August 2023 for which minimum 60 students (Scouts & Guides) from each School (Group or District or State) is mandatory and registration is free.

The Scouts and Guides participating in the Challenge may get an opportunity to be the country flag bearers and represent their school and the country at the International Finale. It is an opportunity for our members to be part of the global challenge. Hence, appeal to you to give wide publicity and motivate the Unit Leaders to register the members.
