SUB: ZOOM CALL TO DISCUSS THE NEEDS OF GIRLS AND WOMEN IN THE ORGANISATION.

Dear Sir/Madam,

Greetings from the Bharat Scouts and Guides, National Headquarters!

During the National Executive Committee meeting on July 1st, 2023, a momentous decision was reached: the establishment of distinct strategic plans for girls and young women, alongside their corresponding Guide wings. This strategic shift reflects our commitment to better address the unique needs of these groups.

The rationale behind implementing a strategic plan is multi-faceted. One key motive is to gain a deep understanding of the distinct requirements of girls and the Lady unit leaders. Recognizing that girls across different age groups possess diverse developmental needs, interests, and capabilities, we aim to create tailored approaches that cater to their individual growth journeys.

It's important to note that while we're embracing the diversity of needs among guides and girls, maintaining a unified vision, mission, and organizational strategy remains paramount. Sustaining regular communication, fostering collaboration, and ensuring alignment between both the wings will guarantee that they collectively bolster the organization's overarching objectives and contribute holistically to the comprehensive development of girls and young women.

To facilitate an exchange of perspectives and insights, we have organized a Zoom call. We invite you to participate and share your thoughts on the path we envision for our future. Your valuable insights will play a crucial role in shaping our collective journey forward.
