Dear Sir/Madam,

Greetings from the Bharat Scouts and Guides, National Headquarters!

Scouting/Guiding is based on the four pillars i.e. Character & Intelligence, Skill & Handicrafts, Physical Health & Hygiene and Service. Focusing on the upliftment of the Skill Set of its youth members and future employability via Skilling, The Bharat Scouts and Guides has entered into various Skill Programs with the various ministries of State and Govt. of India. The projects which NHQ has undergone are listed below:

1. **Deen Dayal Upadhyay Grameen Kaushal Yojna:** The program runs by the Ministry of Rural Development in collaboration with all the State Skill Development Mission across the country. The program period is for 3 Years, residential in nature and emphasizes skill education of candidates belonging to Rural & below the poverty line.
2. **Pradhan Mantri Kaushal Vikas Yojna:** It is a well know Initiative by the Ministry of Skill Development and Entrepreneurship. Ministry runs over 3500 types of skill courses, Non-residential and generally a period of 1 year. Candidates from all sections can apply for it.
3. **State component for Pradhan Mantri Kaushal Vikas Yojana:** This is the replica of PMKVY, where a portion of its target is allotted within all the states in the country. The states allot and runs the project within their State Territory only.
4. **Recognition of Prior Learning:** This training is meant for candidates who are already working with a vision to enhance their skills so that they could achieve more in their careers. These courses are basically meant for a few hours and end within a week's period. The targets are high and the project duration is for 1 year.
5. **Short-Term Training, etc.:** These are again State Specific Skill Development courses duration of 3 months to 6 months and targets are allotted by the state government via State Skill Development Mission.

Presently, these schemes are implemented by the NHQ itself. Further, the scope of these projects can be expanded by associating the various State Associations, depending upon the availability of Schemes and Projects in their respective states. We are in the process of applying to some new schemes.

One of these is: **Recruit, Train and Deploy:** This scheme is focusing on high targets of placement within a time frame of 5 years. This scheme is totally run by the State Missions in order to skill their youth and employ them for long term.

An orientation webinar would be organized on the **29th of August 2023 at 3 pm.** We invite the participation of SOCs, STCs or their nominated person/s from all the State Associations in this journey to join hands.
